

## Black night

Black nights start bright, I don't feel so right,  
I don't care since  
maybe I find on the way down the line that I'm free,  
free will we be.  
Black night is a long way from home.

I don't mean a dark tree, I don't want a rough sea,  
I can't feel, I can't see  
maybe I find on the way down the line that I'm free,  
free we'll be.  
Black night is a long way from home.

Black nights, black nights, I don't need black nights,  
I can see a dark light  
maybe I find on the way down the line that I'm free,  
free will we be.  
Black night is a long way from home.
